

Sec. 16-325-7. Rates

Each permit holder shall maintain on file with the commission an exact schedule of all rates and charges for livery service. All livery service shall be rendered only under such rates and charges as are on file with the commission. All rates shall be calculated from the carrier's headquarters. Said schedule of rates and charges shall not be altered without prior commission approval. In localities regularly served by taxicabs, permit holders shall charge a minimum rate of one dollar per trip, and shall not charge a rate less than the prevailing taxicab fare for comparable service. Rates charged for busses and school busses shall not be less than the following minimum rates per mile:

<i>Adult Seating Capacity</i>	<i>Rate Per Mile</i>	
	<i>With Load</i>	<i>Without Load</i>
20	\$0.25	\$0.125
32	0.40	0.20
40	0.50	0.25

Proportionate minimum rates shall be charged for busses and school busses having different seating capacities from the foregoing.
