

Sec. 26-142a-5. Closed season for fyke, trap and pound nets in Connecticut River

From April first to June fifteenth, both inclusive, fyke, trap and pound nets shall not be used in the main body of the Connecticut River. Nothing herein shall be construed so as to prevent the use of minnow traps as described in section 26-142a-6 (f) in the Connecticut River during the period April first to June fifteenth.

(Effective January 7, 1976)
