

Sec. 29-349-145. Empty containers

Except for such re-usable containers approved by the U.S. Department of Transportation, containers used in the manufacturing process and small arms cartridges, no explosive container, box liner, empty bags, sawdust or cartridge shall be used again for any purpose. Empty containers of the aforesaid types shall be carefully collected and destroyed in accordance with the instructions of the State Fire Marshal.

(Effective December 24, 1987)
