

**Sec. 21a-244-4. Information available to commissioner upon request**

Any computerized system shall have the capability of producing a printout of any refill data which the utilizing pharmacy is responsible for maintaining under Chapter 420b of the general statutes and the regulations promulgated thereunder. This shall include the capability to produce a refill by refill audit trail for any specified strength and dosage form of any controlled substance by either brand or generic name or both. Said printout shall be produced within 48 hours and shall indicate the following:

- (a) the name of the prescribing practitioner;
- (b) the name and address of the patient;
- (c) the name, dosage form, strength, and quantity of the drug dispensed on each refill;
- (d) the name or initials of the dispensing pharmacist and the date of dispensing for each refill; and
- (f) the number of the original prescription order.

Any pharmacy utilizing a computerized system and authorized to maintain records at a central record-keeping location, must be capable of obtaining the requested printout within 48 hours.
