

Sec. 31-301-4. Correction of finding

If the appellant desires to have the finding of the commissioner corrected he must, within two weeks after such finding has been filed, unless the time is extended for cause by the commissioner, file with the commissioner his motion for the correction of the finding and with it such portions of the evidence as he deems relevant and material to the corrections asked for, certified by the stenographer who took it, but if the appellant claims that substantially all the evidence is relevant and material to the corrections sought, he may file all of it so certified, indicating in his motion so far as possible the portion applicable to each correction sought. The commissioner shall forthwith, upon the filing of the motion and of the transcript of the evidence, give notice to the adverse party or parties.
