

**Sec. 27-39-7. Hourly rates**

(a) Hourly usage rates are based upon cost of utilities, services and supplies. Certified or cashier's checks, as with all rentals, are made payable to the "Treasurer, State of Connecticut."

(b) Requirements and application procedures will be adhered to in accordance with Section 27-39-2.

(c) If such hourly usage requires Military Department personnel to remain after normal working hours, the lessee shall arrange for payment of such services to the individual involved, at a rate not to exceed time and a half of the individual's hourly rate. The custodial individual may be a State Maintainer or National Guard personnel. The OIC will determine which person will be assigned.

(d) The OIC will determine if hourly rental is in order as opposed to daily rate in accordance with Section 27-39-6.

(e) The present hourly rental rates are identified in Appendix A. Such rates may be reviewed and adjusted as required by the Adjutant General, based upon recommendations from the Property Administration Office.
