

Sec. 29-349-213. Warning signs

During the period of any blasting operation which is being initiated electrically, the blaster, contractor, or person in charge shall cause signs to be erected on all adjacent highways at a point 350 feet from the blasting site to warn motorists not to use two-way radios. These signs shall be placed on the road just prior to the loading of the holes, and shall be removed immediately after the blast is completed.
