

**Sec. 46a-54-8a. Commission offices**

(a) The commission shall maintain a principal office in Hartford and regional offices. The regional offices shall be in various parts of the state for the convenience of members of the public. The primary purpose of the regional offices shall be for the receipt and administrative processing of discriminatory practice complaints.

(b) The locations and telephone numbers of the principal and regional offices are identified in Appendix A.

(c) A map generally depicting the geographical area covered by each regional office is incorporated as Appendix B.

(Adopted effective November 4, 2002)
