

Sec. 17a-147-32. Assessment process

(a) The assessment process shall be documented. This process shall be conducted by a professionally qualified staff member. Testing instruments used in the assessment process shall be reflected in the child's record. The assessment shall specify the needs and strengths of the child in the areas of health care, education, psychological development, social development, family relationships, vocational training, recreation and life skills development.

(b) All methods and procedures used in the assessment process shall consider the child's age, cultural background and dominant language or mode of communication.

(Effective September 27, 1991)
