

Sec. 22-64-9. Lessees to provide fire extinguishers

Each wholesale store lessee and restaurant operator shall provide at his own expense, except as is hereinafter stated, a soda acid fire extinguisher of two and one-half gallon capacity for his leased premises. Each lessee occupying more than four store units shall provide at his own expense two such extinguishers for the leased premises. Each extinguisher shall be recharged annually with the date of recharging placed on the attached tag.
