

**Sec. 38a-8-125. Information security program**

Each licensee shall implement a comprehensive written information security program that includes administrative, technical and physical safeguards for the protection of customer information that are appropriate to the size and complexity of the licensee and the nature and scope of its activities. Each information security program shall be designed to: ensure the security and confidentiality of customer information; protect against any anticipated threats or hazards to the security or integrity of customer information; and protect against unauthorized access to, or use of, customer information that could result in substantial harm or inconvenience to any customer.
