Sec. 20-332-4. Licenses issued by the plumbing and piping work examining board

The following licenses shall be issued by the plumbing and piping work examining board:

(a) Unlimited plumbing-piping contractor's license (P-1).

The holder of this license may do all plumbing and piping work as defined in section 20-330 of the Connecticut General Statutes. The requirements to qualify for this license examination shall be two (2) years as an unlimited licensed journeyperson or equivalent experience and training.

(b) Unlimited plumbing-piping journeyperson's license (P-2). The holder of this license may do all plumbing and piping work as so defined and only while in the employ of a contractor licensed for such work. The requirements to qualify for this license examination shall be the completion of a registered apprenticeship program or equivalent experience and training.

(c) Limited plumbing-piping contractor's license (P-9).

The requirements for examination for this license shall be two (2) years as a properly licensed journeyperson or equivalent experience and training. This license permits the installation, repair, replacement, alteration or maintenance of piping for petroleum tanks and related pumping equipment only.

(d) Limited plumbing-piping journeyperson's license (P-8).

The requirements for examination for this license shall be one (1) year as a registered apprentice or equivalent experience and training. This license permits the installation, repair, replacement, alteration or maintenance of piping for petroleum tanks and related pumping equipment only and only while in the employ of a contractor licensed for such work.

(e) Limited plumbing-piping contractor's license (J-1).

The holder of this license may perform only work limited to domestic water pumps and water conditioning. The requirements to qualify for this license examination shall be two (2) years as a journeyperson or equivalent experience and training.

(f) Limited plumbing - piping journeyperson's license (J-2). The holder of this license may perform only work limited to domestic water pumps and water conditioning and only while in the employ of a contractor licensed for such work. The requirements to qualify for this license examination shall be the completion of a registered apprenticeship program or equivalent experience and training.

(g) Contractor - limited to water, sewer and storm lines (P-7).

The requirements for examination for this license shall be two (2) years as a journeyperson or equivalent experience and training. This license permits the installation, repair, replacement, alteration or maintenance of piping limited to water, sewer and storm lines from the point of utility responsibility to a point immediately inside a structure.

(h) Journeyperson - limited to water, sewer and storm lines (P-6).

The requirements for examination for this license shall be the completion of a registered one-year apprenticeship program or equivalent experience and training. This license permits the installation, repair, replacement, alteration or maintenance of piping limited to water, sewer and storm lines from the point of utility responsibility to a point immediately inside a structure and only while in the employ of a contractor licensed for such work.

(i) Contractor-limited to lawn sprinkler work (J-3).

The requirements for this license shall be two (2) years as a journeyperson or equivalent

experience and training. This license permits the installation, repair, replacement, alteration or maintenance of lawn sprinklers systems.

(j) Journeyperson-limited to lawn sprinkler work (J-4). The requirements for this license shall be the completion of a registered one-year apprenticeship program or equivalent experience and training. This license permits the installation, repair, replacement, alteration or maintenance of lawn sprinkler systems only while the licensee is in the employ of a plumbing contractor licensed for such work.

(k) **Repealed**. May 24, 1990.

(*l*) **Repealed**. May 24, 1990.

(m) Limited tank, piping, and pump contractor license (P-9).

The requirements for examination for this license shall be two (2) years as a properly licensed journeyperson or equivalent experience and training. This license permits the installation, repair, replacement, alteration or maintenance of piping for petroleum-based fuels and alternative fuels, including tanks and related equipment.

(n) Limited tank, piping, and pump journeyperson license (P-8).

The requirements for examination for this license shall be one (1) year as a registered apprentice equivalent experience and training. This license permits the installation, repair, replacement, alteration or maintenance of piping for petroleum-based fuels and alternative fuels, including tanks and related equipment, and only while in the employ of a contractor licensed for such work.

(Effective October 22, 1990; Amended November 3, 2000; Amended July 29, 2003; Amended September 7, 2007)
