

**Sec. 30-6-B4. Out-of-state shipper price lists to be filed**

(a) Every out-of-state shipper permittee shall, annually on or before the sixth day of January, file with the department, on forms prescribed by the department, a complete schedule, with each page of such schedule numbered in numerical order, duly verified by the permittee and attested by the backer, if an individual, or if the backer is a corporation, by an officer of such corporation, of all alcoholic liquors offered for sale in Connecticut, which shall contain with respect to each item: (1) The type of beverage and brand name; (2) the size of the container; (3) the age or per cent and type of neutral spirits; (4) the proof; (5) the number of bottles per case; (6) the bottle and case price. The following information shall be submitted by out-of-state shipper beer only permittees: (1) The type of beverage; (2) the size of the container (barrel, half-barrel, quarter-barrel); (3) the number and size of bottles per case; (4) the container price and case price. At the same time that these schedules are mailed to the department, a copy shall be forwarded to each wholesaler licensed by the department to distribute those products for which the schedule is intended.

(b) Except in the case of still wines and sparkling wines, the case price shall be individual for each item and not in combination with another item. Schedules on multiple packages of still wines and sparkling wines shall contain the bottle price for each item contained in the multiple package, the unit price, and the case price. The bottle price posted in such multiple package case must be the same as the bottle price posted in a case containing the one type and brand of wine. The price set forth therein shall become effective on the first day of the calendar month following the effective filing date thereof and, unless withdrawn or amended, shall be considered refiled and effective each month until the filing date of the next complete schedule. All items shall be bona fide offering of the items set forth in the list. Price changes and prices on new items may be filed on supplemental price schedules, which schedules shall be filed on the sixth day of any intervening month, and prices on such supplemental schedules shall become effective on the first day of the month following the effective filing date thereof. When filing supplemental price lists showing amended prices, one copy of the whole numbered page on which the original prices appeared shall be filed. One copy of such supplemental price list shall be filed, with a copy to the wholesaler licensed to distribute the product.

(c) Except in cases where an obvious typographical error has been made, no changes, corrections or additions will be considered after the effective filing date. The effective price on any item shall be the price posted on the latest schedule on file on which that particular item appears.

(d) No out-of-state shipper may ship, transport, sell or offer for sale in Connecticut any brand of alcoholic liquor which does not appear on his price schedule.

(e) A violation of any of the provisions of this section shall be punishable by suspension or revocation.
