

Sec. 42-181-6. Settlement of dispute

The manufacturer shall notify the department if the dispute is settled at any time before the arbitration hearing is declared closed by the arbitrator, which notice shall include the terms of the settlement and the date for performance. The consumer shall notify the department if compliance has not occurred by such agreed upon date, and the arbitration process shall recommence at the point at which it had been interrupted by the notification to the department of the proposed settlement.

(Effective December 18, 1984; Amended April 6, 2018)
