

Sec. 5-262-6. State employee campaign costs

The cost of the campaign shall be underwritten by the participating federations. The SECC shall annually determine the total cost of the SEC, which costs may include campaign materials and related administrative charges. Annually, the SECC shall determine a cost allocation formula under which each participating federation's share of the campaign costs shall be determined.

(Effective June 22, 1994)
