

Sec. 13b-96-25. Shared rides

(a) Where a certificate holder is authorized by the commissioner to operate a shared-ride system to allow several passengers to share a taxicab to destinations within a shared-ride zone, a taxicab driver shall not deny a passenger's right to refuse to share the vehicle with others.

(b) Where a certificate holder is not authorized to provide a shared ride and the taxicab is shared by more than one passenger, the metered rate shall be subject to mutual arrangement among the passengers.
