

Sec. 19a-401-6. Staff identification required

Any medical examiner shall carry an identification issued by the Office at all times while acting in the official capacity on behalf of the Office. The card shall contain the name, title and photograph of the individual and the name, address and telephone number of the Office and shall be signed by the chief medical examiner.

(Effective June 23, 1986; Amended September 3, 1998)
