

**Sec. 42-181-7. Sign to be placed in motor vehicle dealership**

Each motor vehicle dealer that sells motor vehicles produced by a manufacturer which does not provide a manufacturer's informal dispute settlement program shall post notification of the department's motor vehicle dispute settlement program and the method by which a consumer may utilize it. Such notification shall be prominently posted in the area of the dealership service department where consumers transact business. The Commissioner shall post on the department's website the required standard language and formatting for such notification.
