Motor Vehicle Recyclers

Sec. 14-67q-1. Defined. Requirements

A “motor vehicle recycler” is any person, firm or corporation engaged in the business of purchasing motor vehicles for the purpose of dismantling the vehicles for parts or use of the metal for scrap. Such motor vehicle recycler shall have a suitable and adequate place of business which shall be determined by the commissioner of motor vehicles and shall be required to show proof of good moral character.

(Effective June 29, 1984; Amended January 16, 2014)

Sec. 14-67q-2. Repealed

Repealed July 19, 1990.

Establishment, Operation and Maintenance of Motor Vehicle Recycler’s Business or Motor Vehicle Recycler’s Yard

Sec. 14-67q-3. Definitions

(1) “Salvage motor vehicle” means a motor vehicle purchased or obtained by a motor vehicle recycler for the value of parts contained on such vehicle, and stored in the motor vehicle recycler’s yard reserved for such vehicles;

(2) “Scrap motor vehicle” means a motor vehicle purchased or obtained by a motor vehicle recycler for the purpose of processing such motor vehicle for the scrap metal thereon, and stored in a portion of the yard reserved for such processing, and

(3) “Processed motor vehicle” means a motor vehicle that has been processed for easy transportation, including the disassembling, separating, cutting, crushing or compacting of the body shell in such manner as to provide for safety in stacking.

(Effective June 29, 1984; Amended January 16, 2014)

Sec. 14-67q-4. Area required for storage of salvage motor vehicles

Each licensed motor vehicle recycler shall maintain a separate and distinct area for the storage of salvage motor vehicles, and such area shall in no case exceed eighty per cent of the licensed and usable area of such yard.

(Effective June 29, 1984; Amended January 16, 2014)

Sec. 14-67q-5. Transfer from salvage area to processing section

Any vehicle purchased for salvage and stored in the portion of the yard reserved for salvage vehicles shall be removed from such area and stored or deposited in the processing section of such yard when the usable parts of such vehicle have been removed.

(Effective June 29, 1984; Amended January 16, 2014)

Regulations of Connecticut State Agencies

TITLE 14. Motor Vehicles. Use of the Highway by Vehicles. Gasoline

§14-67q-6

Department of Motor Vehicles

Sec. 14-67q-6. Location of stored vehicles

Each salvage or scrap motor vehicle stored or deposited within a motor vehicle recycler's yard shall be so located as to be within one hundred feet of an accessible roadway or driveway with a minimum width of twelve feet, such driveway or roadway being connected to a public road or highway.

(Effective June 29, 1984; Amended January 16, 2014)

Sec. 14-67q-7. Proximity to other vehicles

With the exception of a motor vehicle placed or stored on top of another, no scrap or salvage motor vehicle shall be located closer than one foot to an adjacent vehicle, provided when scrap or salvage motor vehicles are deposited or stored in a continuous line not to exceed four passenger motor vehicles in length, it shall be necessary only to maintain the one-foot separation between the sides of such vehicles.

(Effective June 29, 1984; Amended January 16, 2014)

Sec. 14-67q-8. Location of vehicles purchased for scrap

Each motor vehicle purchased or obtained for scrap shall be deposited or stored in the portion of the yard reserved for the processing of vehicles.

(Effective June 29, 1984; Amended January 16, 2014)

Sec. 14-67q-9. Stacking of processed vehicles

The stacking of processed motor vehicles in a motor vehicle recycler's yard is prohibited except in the area reserved for such processing.

(Effective June 29, 1984; Amended January 16, 2014)

Sec. 14-67q-10. Stacking of other motor vehicles

Stacking of motor vehicles, other than processed motor vehicles, at a height greater than two vehicles is prohibited.

(Effective June 29, 1984; Amended January 16, 2014)

Sec. 14-67q-11. Stacking of processed vehicles in processing area

The stacking of processed motor vehicles in the area reserved for such processing is permitted, provided the perimeter of the base of each such stack or pile shall be set back from the boundaries of the licensed motor vehicle recycler's property at a distance equal to the highest point of such stack or pile.

(Effective June 29, 1984; Amended January 16, 2014)

Sec. 14-67q-12. Removal of parts. Restraint of dogs (Repealed)

Repealed January 16, 2014.

(Effective June 29, 1984; Repealed January 16, 2014)

Sec. 14-67q-13. Removal and return of registration plates

All registration plates displayed on, or contained in, any motor vehicle purchased by a motor vehicle recycler shall immediately be removed from such vehicle and returned to the motor vehicle department.

(Effective June 29, 1984; Amended January 16, 2014)

Sec. 14-67q-14. Fence requirement

Fences required by section 14-67r of the Connecticut General Statutes shall be made of solid wood, metal, or opaque plastic of sufficient thickness and durability to remain in position under normal windloading and weather conditions. Posts or supports for fences shall be of sufficient depth or weight to remain in vertical or upright position. It is the responsibility of the licensee to repair and maintain fences.

(Effective December 29, 1988; Amended January 16, 2014)

Sec. 14-67q-15. Application requirements

(a) Each applicant for a Connecticut motor vehicle recycler's license shall file with the Department of Motor Vehicles, Dealers and Repairer's Division:

- (1) An application on a form provided by the Department of Motor Vehicles;
- (2) An examination fee as prescribed in section 14-67l of the Connecticut General Statutes;
- (3) A certificate of approval of the location endorsed on the application by the local authorities in the city or town in which the motor vehicle recycler's yard or business is located. Local authorities means the Zoning Commission, or if there is no Zoning Commission in the municipality, the selectman, the mayor of the city or the warden of the borough;
- (4) If requested by the department, a certificate of approval of the location from the State Department of Transportation;
- (5) Certification by the applicant that the property to be licensed as a motor vehicle recycler's yard and business is in compliance with all applicable provisions of title 22a of the Connecticut General Statutes and all regulations adopted by the Commissioner of Energy and Environmental Protection pursuant to the provisions of said title as prescribed in subsection (b) of section 14-67l of the Connecticut General Statutes; and
- (6) A site drawing that meets the requirements set forth in section 14-67q-16 of the Regulations of Connecticut State Agencies.

(b) Upon approval of the application by the Department of Motor Vehicles, the applicant shall submit the following:

- (1) The statutory license fee;
- (2) Fees for any registrations (marker plates) desired;
- (3) Proof of financial responsibility in accordance with subsection (a) of section 14-67l of the Connecticut General Statutes; and
