

Sec. 16-333-30. Function of council

Each advisory council may give advice to the management of the cable television company upon such matters affecting the public as it deems necessary. Each advisory council shall annually on a date not later than the thirty-first day of January, file a written report with the Department of Public Utility Control concerning its activities for the preceding twelve month period ending December 31.

(Effective April 23, 1974; Amended March 31, 1999; Amended October 7, 2004)
