

Sec. 17a-150-98. Food and water

(a) All food for human consumption, food storage and preparation, personal cleanliness and general care of the home shall meet generally accepted health standards.

(b) No non-pasteurized milk products shall be provided by, or with the approval or knowledge of, a foster family or prospective adoptive family to any child in care.

(c) The water supply shall be safe and adequate to meet the needs of the household. If the home is not served by a public water supply, the water shall be analyzed and approved by the state or local department of health or by a private water testing laboratory approved by the Department of Public Health at the time of initial licensure or approval and at any subsequent time the department or child placing agency deems such testing necessary.
