

**Sec. 31-51qq-20. Is an employee entitled to benefits while using FMLA leave?
(See 29 CFR § 825.209)**

An employee's entitlement to benefits other than group health benefits during a period of FMLA leave (*e.g.*, holiday pay) is to be determined by the employer's established policy for providing such benefits when the employee is on other forms of leave (paid or unpaid, as appropriate).
