

Sec. 5-273-40. Declaratory ruling; procedure after filing

(a) The Board may give notice to any other person or organization that such a declaratory ruling has been requested and may receive and consider facts, arguments, and opinions from persons other than the petitioner.

(b) If the Board deems a hearing necessary or helpful in determining any issue concerning the request for declaratory ruling, the Board shall schedule such hearing and give such notice thereof as shall be appropriate.
