

**Sec. 26-306-5. List of threatened species**

(a) The following mammal species are determined to be threatened:

None

(b) The following bird species are determined to be threatened:

|                          |                                            |
|--------------------------|--------------------------------------------|
| Accipiter gentilis       | Northern goshawk                           |
| Ammodramus maritimus     | Seaside sparrow                            |
| Ardea alba               | Great egret                                |
| Asio flammeus            | Short-eared owl<br>(wintering populations) |
| Charadrius melodus       | Piping plover                              |
| Egretta thula            | Snowy egret                                |
| Falco peregrinus         | Peregrine falcon                           |
| Haematopus palliatus     | American oystercatcher                     |
| Haliaeetus leucocephalus | Bald eagle                                 |
| Ixobrychus exilis        | Least bittern                              |
| Sturnella magna          | Eastern meadowlark                         |
| Sternula antillarum      | Least tern                                 |

(c) The following reptile species are determined to be threatened:

|                      |                       |
|----------------------|-----------------------|
| Caretta caretta      | Loggerhead            |
| Chelonia mydas       | Atlantic green turtle |
| Plestiodon fasciatus | Five-lined skink      |

(d) The following amphibian species are determined to be threatened:

|                            |                            |
|----------------------------|----------------------------|
| Gyrinophilus porphyriticus | Northern spring salamander |
| Plethodon glutinosus       | Northern slimy salamander  |

(e) The following fish species are determined to be threatened:

(f) The following invertebrate species are determined to be threatened:

|                              |                           |
|------------------------------|---------------------------|
| Abagrotis nefascia benjamini | Coastal heathland cutworm |
| Anthopotamus verticis        | Tusked sprawler           |
| Apamea inordinata            | Apamea moth               |
| Atylotus ohioensis           | Tabanid fly               |
| Bombus terricola             | Yellow-banded bumble bee  |
| Callophrys irus              | Frosted elfin             |
| Calopteryx dimidiata         | Sparkling jewelwing       |
| Cicindela tranquebarica      | Dark-bellied tiger beetle |
| Cordulegaster erronea        | Tiger spiketail           |
| Dargida rubripennis          | Pink streak               |

|                                     |                              |
|-------------------------------------|------------------------------|
| <i>Drasteria graphica atlantica</i> | False heather underwing      |
| <i>Enallagma doubledayi</i>         | Atlantic bluet               |
| <i>Enallagma recurvatum</i>         | Pine barrens bluet           |
| <i>Erynnis brizo</i>                | Sleepy duskywing             |
| <i>Euchlaena madusaria</i>          | Scrub euchlaena              |
| <i>Eucosma morrisoni</i>            | Morrison's mosaic            |
| <i>Eumacaria latiferrugata</i>      | Brown-bordered geometer      |
| <i>Exyra fax</i>                    | Pitcher plant moth           |
| <i>Gomphus descriptus</i>           | Harpoon clubtail             |
| <i>Gomphus fraternus</i>            | Midland clubtail             |
| <i>Gomphus quadricolor</i>          | Rapids clubtail              |
| <i>Hemaris gracilis</i>             | Slender clearwing            |
| <i>Hetaerina americana</i>          | American rubyspot            |
| <i>Hybomitra trepida</i>            | Horse fly                    |
| <i>Hybomitra typhus</i>             | Horse fly                    |
| <i>Lapara coniferarum</i>           | Southern pine sphinx         |
| <i>Leucorrhinia glacialis</i>       | Crimson-ringed whiteface     |
| <i>Merycomyia whitneyi</i>          | Tabanid fly                  |
| <i>Papaipema appassionata</i>       | Pitcher plant borer          |
| <i>Papaipema duovata</i>            | Seaside goldenrod stem borer |
| <i>Paraleptophlebia assimilis</i>   | Mayfly                       |
| <i>Phaneta clavana</i>              | Lanced phaneta               |
| <i>Progomphus obscurus</i>          | Common sanddragon            |
| <i>Psectraglaea carnosa</i>         | Pink sallow                  |
| <i>Pyrrhia aurantiago</i>           | Aureolaria seed borer        |
| <i>Schinia septentrionalis</i>      | Northern flower moth         |
| <i>Somatochlora georgiana</i>       | Coppery emerald              |
| <i>Speranza exonerata</i>           | Barrens itame                |
| <i>Stylurus amnicola</i>            | Riverine clubtail            |
| <i>Sympistis dentata</i>            | Toothed apharetra moth       |
| <i>Tabanus fulvicallus</i>          | Horse fly                    |
| <i>Thaumatopsis edonis</i>          | Grassland thaumatopsis       |
| <i>Zanclognatha martha</i>          | Pine barrens zanclognatha    |
| <i>Zanclognatha theralis</i>        | Noctuid moth                 |

(g) The following plant species are determined to be threatened:

|                            |                            |
|----------------------------|----------------------------|
| <i>Alopecurus aequalis</i> | Short-awned meadow-foxtail |
|----------------------------|----------------------------|

|                                       |                                   |
|---------------------------------------|-----------------------------------|
| Andromeda polifolia var. glaucophylla | Bog rosemary                      |
| Anemone canadensis                    | Canada anemone                    |
| Asplenium ruta-muraria                | Wallrue spleenwort                |
| Betula pumila                         | Swamp birch                       |
| Calamagrostis stricta ssp. inexpansa  | Reed bentgrass                    |
| Carex alopecoidea                     | Foxtail sedge                     |
| Carex crawei                          | Crawe's sedge                     |
| Carex cumulata                        | Clustered sedge                   |
| Carex davisii                         | Davis' sedge                      |
| Carex limosa                          | Mud sedge                         |
| Corydalis flavula                     | Yellow corydalis                  |
| Eriophorum vaginatum var. spissum     | Hare's tail                       |
| Eurybia spectabilis                   | Showy aster                       |
| Gaylussacia bigeloviana               | Dwarf huckleberry                 |
| Houstonia longifolia                  | Longleaf bluet                    |
| Hudsonia tomentosa                    | Woolly beach-heather              |
| Ilex glabra                           | Inkberry                          |
|                                       | (native populations only)         |
| Krigia biflora                        | Two-flowered cynthia              |
| Lipocarpa micrantha                   | Dwarf bulrush                     |
| Maianthemum trifolium                 | Three-leaved false Solomon's-seal |
| Myriophyllum sibiricum                | Northern water-milfoil            |
| Panicum amarum var. amarum            | Bitter panicgrass                 |
| Paspalum laeve                        | Field paspalum                    |
| Pedicularis lanceolata                | Swamp lousewort                   |
| Petasites frigidus var. palmatus      | Sweet coltsfoot                   |
| Polygala nuttallii                    | Nuttall's milkwort                |
| Populus heterophylla                  | Swamp cottonwood                  |
| Potamogeton gemmiparus                | Capillary pondweed                |
| Potamogeton vaseyi                    | Vasey's pondweed                  |
| Rhododendron groenlandicum            | Labrador tea                      |
| Rhynchospora macrostachya             | Tall beaksedge                    |
| Rotala ramosior                       | Toothcup                          |
| Schoenoplectus acutus                 | Hard-stemmed bulrush              |
| Schoenoplectus torreyi                | Torrey bulrush                    |
| Senna hebecarpa                       | Wild senna                        |
