

**Sec. 14-389-3. Temporary registration**

Each snowmobile dealer shall keep a record of each temporary registration issued by him. Such record shall include the name, address and date of birth of the owner, the year of manufacture, make and factory identification number of the snowmobile and the date and number of the temporary registration issued. Such dealer within forty-eight hours of the issuance of a temporary registration shall submit all necessary applications for a permanent registration to the commissioner of motor vehicles.
