

Sec. 14-332-6. Location of dispenser

Pursuant to the provisions of section 14-320 of the general statutes, the commissioner shall not issue a certificate unless the location of the dispensers has been specifically approved by the building official as to compliance with the state building code and by the fire marshal as to compliance with the state fire safety code. In addition, where the commissioner feels necessary, barriers shall be placed in front of the dispenser in order to protect the public safety.
