Pursuant to section 14-4a, the commissioner may designate any person to act as a hearing officer for the motor vehicle department for the purpose of conducting hearings and rendering decisions. In any hearing where the hearing officer has been authorized by the commissioner to render a final decision, the fact of such authorization shall be noticed on the record. In any contested case in which the hearing officer assigned to conduct the hearing has not been authorized to render a final decision in the matter, this fact shall be noticed on the record at the start of the hearing and the party(ies) of record shall be notified of the identity of the individual who will render the final decision.

(c) **Notice of hearings.**

(1) The department shall mail a notice of hearing to the last known address or the last address provided by the respondent, at least ten (10) days before the scheduled hearing, unless the respondent has received actual notice or waived the requirement of advance notice.

public.

(2) At any hearing, the hearing officer may direct that any recording, radio, television, or broadcasting equipment shall be placed in a stationery location or otherwise handled in such a manner as not to disturb the proceedings or, in the opinion of the hearing officer, block the aisles or exits, or jeopardize the safety of any party in the hearing room.

(3) The hearing officer may order any individual, willfully interrupting the orderly conduct of a hearing, to be removed from the hearing room.

(4) The hearing officer may order the hearing room to be cleared if, in his opinion, the hearing cannot be conducted in an orderly fashion and the orderly conduct of the hearing cannot be restored by the removal of the individuals who are willfully interrupting the hearing. Accredited representatives of the news media, other than those participating in the interruption of the hearing, shall be allowed to remain in the cleared hearing room and continue to observe the hearing.

(5) The hearing officer may readmit an individual that had been ordered to vacate the hearing room pursuant to either subdivisions three (3) or four (4) of this section if, in the hearing officer's opinion, the individual has ceased to be disruptive and will continue to behave in an orderly manner.

(f) Postponements and adjournments.

(1) Only for good cause shown will a continuance be granted to any licensee upon a request made to the commissioner or his designee.

(3) No second continuance will be granted for the convenience of any party. An attorney for a respondent who has a conflicting court appearance may be granted a second continuance upon a request in writing, stating the name and location of the court, the date, time and case number of the conflicting court appearance. Such written request shall be directed to the attention of the Adjudications Unit, Legal Services Division, Department of Motor Vehicles, 60 State Street, Wethersfield, CT 06109-1896.

(4) The requirements in subdivisions (1), (2) or (3) may be waived by the commissioner or his designee only for good cause shown. The commissioner or his designee may request written certification of the facts surrounding the request for a continuance.

(5) The commissioner or his designee may reschedule a hearing or adjourn a hearing in progress to another date and time.

(g) Waiver of oral hearing and personal appearance. The respondent may waive oral hearing and personal appearance and request that the matter be adjudicated on the basis of the available written and demonstrative evidence on file with the department including any evidence submitted by the respondent.

- (E) To discuss the possibility of an informal disposition of a complaint.

(3) A pre-hearing conference need not be recorded, but a written record will be made of any stipulations as to matter of fact, as to the authenticity of documents, or as to the qualifications of expert witnesses. Any such written record will be signed by each of the individual respondents or his counsel and by the commissioner or his authorized representative.

(j) Informal disposition in contested cases.

(1) Unless precluded by law, informal disposition may be made of any contested case by stipulation, agreed settlement, consent order, or default. A respondent may agree to enter an agreement containing a consent order in lieu of a hearing on the issue(s). Such agreement may be negotiated by the respondent and the counsel for a complainant or an authorized representative of the department. The acceptance of a consent agreement and order is within the complete discretion of the commissioner, or his designee, the chief of legal services for the department.

The presiding hearing officer may rule on motions at the hearing, or may in his discretion incorporate a ruling on a motion in an intermediate or final decision.

(l) **Witnesses, subpoenas, and production of records.** All testimony shall be taken under oath or affirmation. The commissioner or his designee may subpoena witnesses and require the production of records, papers and documents. If any person disobeys such process or, having appeared in obedience thereto, refuses to answer any pertinent question put to him by or under the direction of the commissioner or his designee or to produce any records and papers pursuant thereto, the commissioner may apply to the superior court for the judicial district of Hartford setting forth such disobedience to process or refusal to answer, as provided in sections 4-177b and 14-110 of the Connecticut General Statutes.

(2) The commissioner or his designee may permit any party to offer testimony in written form, if it will expedite the hearing. Such written testimony shall be received in evidence with the same force and effect as though it were stated orally by the witness who has given the evidence, provided that the interests of the parties will not be prejudiced substantially. Prior to its admission, such written testimony shall be subject to objections by parties.

(3) Cross-examination. A party may conduct cross-examinations required for a full and true disclosure of the facts.

Where an adjudication of violation or responsibility has been determined, the records and prior decisions of the department may be considered in determining an appropriate disposition.

(o) **Filing of added exhibits and testimony.** Upon order of the commissioner or his designee before, during or after the hearing, any party may be given an opportunity to submit additional pleadings and evidence unless the rights of any party would be substantially prejudiced. (3) The five-day requirement in subdivisions (1) and (2) of this subsection may be waived at any time before or after commencement of the hearing by the hearing officer on a showing of good cause.

(4) If a petition is granted pursuant to subdivision (2) of this subsection, the intervenor's participation may be limited to designated issues in accordance with the provisions of section 4-177a (d) of the Connecticut General Statutes.
