

Sec. 16-243-11. Exceptions

The installation procedures set forth in sections 16-243-1 to 16-243-12, inclusive, of the regulations of Connecticut state agencies, shall be followed unless a specific alteration, on a case by case basis, is allowed by the Department of Public Utility Control.

(Effective February 4, 1976; Amended August 23, 2000)
