

**Sec. 14-137-35. Overweight permit**

Whenever a permit is issued by the Department of Transportation for the operation of an overweight motor vehicle, or combination vehicle, trailer, or object, pursuant to the provisions of section 14-270 of the Connecticut General Statutes, and the regulations adopted thereunder by the commissioner of transportation, the permanent registration of such vehicle shall have a registered gross vehicle weight equal to or greater than that stated in the overweight permit. Nothing contained herein shall affect the expiration date or any other term, condition or obligation of the permanent registration.
