

Sec. 16-243-10. NESC—NEC

The department of public utility control recognizes the provisions of the National Electrical Safety Code and the National Electrical Code as minimum requirements and recommends the same as a guide to good practice for the installation, maintenance and operation of electrical facilities in all cases not governed by specific department orders and the provisions of this code as contained herein.

(Effective February 4, 1976; Amended August 23, 2000)
