### Sec. 8-381-3. Program requirements

For an area to qualify as a housing development zone, the distressed municipality shall select an area which:

(a) Consists of one or two contiguous United States census tracts or a portion of an individual census tract as determined by the most recent U.S. census; and

(b) Has or will allow at least 25% of such area zoned to permit multi-family residential dwellings.

(Effective March 28, 1989)
