

Sec. 22-359-3. Animals not currently vaccinated

(1) Written records shall be kept by the owner, keeper, or handler of any animal not currently vaccinated for rabies that is present in a public setting in a controlled situation. The written records shall include contact information for all persons having direct physical contact with such animal, including the names, addresses and telephone numbers of such persons and the date of contact. Such records shall be maintained for a period of six months and shall be made immediately available to the Commissioner upon request.

(2) Any animal not currently vaccinated for rabies that is present in a public setting in an uncontrolled situation shall be separated from the public by sufficient means to avoid direct contact between people and animals, such as a double fence, plexiglas, or other device to avoid direct contact between people and animals as determined by the Commissioner, or a conspicuous sign shall be posted near the animal enclosure stating "CONNECTICUT RABIES ADVISORY NOTICE – DO NOT FEED OR TOUCH ANIMALS".
