

Sec. 14-80-6. Siren permits

Permits for the use of sirens on motor vehicles belonging to members of volunteer fire companies or associations shall be limited the volunteer fire chiefs and their first and second deputies or their first and second assistants should there be no deputies. Before any permit is issued to a deputy or assistant, as the case may be, the chief shall provide certification as to the status of the applicant.

(Effective October 26, 1988)
