

**Sec. 4-236-20. Responsibilities of the secretary of the office of policy and management**

The secretary shall, after consulting with applicable state agencies and representatives of nonstate entities, publish a Compliance Supplement disclosing statutory and regulatory requirements applicable to state financial assistance programs. The Compliance Supplement shall contain requirements for compliance with laws and regulations and suggested audit procedures for state financial assistance programs, and shall be updated periodically for program changes.

(Adopted effective April 2, 2001)
