

**Sec. 1-92-47. Registration fee**

The fee for filing a biennial registration commencing in an odd numbered calendar year is \$250.00. The fee for a one year registration commencing in an even numbered calendar year is \$125.00. The fee must be paid for each individual registrant even if registering with a business organization or client on a single form. This fee is not in excess of the cost of administering the filing, plus the cost of collecting, filing, copying and distributing the information submitted by registrants under Section 1-96 of the Connecticut General Statutes. An estimate of these costs is available upon request at the Office of State Ethics.
