

**Sec. 53-202b-5. Form required to purchase an Olympic pistol**

(a) The Commissioner shall prescribe a form to be signed by a purchaser of a pistol under penalty of false statement prior to the purchase. The Commissioner shall take appropriate steps to make the form publicly available to firearms sellers and purchasers. The form shall, at a minimum, contain:

(1) The name, home address, phone number and the state eligibility certificate or pistol permit number (if applicable) of the individual purchasing the pistol;

(2) The name, address, phone number and federal firearms permit number (if applicable) of the seller;

(3) The make, model and serial number of the Olympic pistol sold;

(4) The sale price of the Olympic pistol;

(5) The date of sale;

(6) The name of the organization for which the purchaser competes in target shooting events at the Olympic games;

(7) A description of the type of events at which the purchaser anticipates using the pistol;

(8) An attestation by the purchaser that the pistol will be used by the purchaser primarily for target shooting practice and events sanctioned by the International Olympic Committee and USA Shooting, or any subsequent corresponding governing board for international shooting competition in the United States, as provided in sections 53-202b-1 to 53-202b-5, inclusive, of the Regulations of Connecticut State Agencies; and

(9) A requirement that the applicant attach evidence of participation, or an intent to participate, in target shooting practice and events sanctioned by the International Olympic Committee and USA Shooting, or any subsequent corresponding governing board for international shooting competition in the United States.

(b) The form shall contain a conspicuous warning that:

(1) Failure to properly complete, execute and file the form shall constitute the unlawful sale of an assault weapon;

(2) Failure to apply to the Department of Emergency Services and Public Protection for a certificate of possession for such firearm within ninety days of such purchase, pursuant to section 53-202d (a)(2)(A) of the Connecticut General Statutes, shall constitute the unlawful possession of an assault weapon;

(3) Possession of a firearm for those who have been issued a certificate of possession is subject to the conditions outlined in section 53-202d(f) of the Connecticut General Statutes; and

(4) The certificate of possession is granted pursuant to section 53-202d of the Connecticut General Statutes to be used by the purchaser primarily for use in target shooting practice and events sanctioned by the International Olympic Committee and USA Shooting, or any subsequent corresponding governing board for international shooting competition in the United States. If, at any point, the firearm is no longer being used primarily for such target shooting practice and events, the owner shall notify the Department of Emergency Services and Public Protection.

(c) The seller shall provide an executed copy of the form to the purchaser and retain an executed copy for five years from the date of sale. The seller shall attach the original executed form to the DPS-3-C form and file such form with the Special Licensing and
