(a) **General Standards.** The following standards apply to Medicare supplement policies and certificates and are in addition to all other requirements of this regulation.

Regulations of Connecticut State Agencies

TITLE 38a. Insurance Department

§38a-495a-5

Insurance Department

(1) A Medicare supplement policy or certificate shall not exclude or limit benefits for losses incurred more than six (6) months from the effective date of coverage because it involved a preexisting condition. The policy or certificate may not define a preexisting condition more restrictively than a condition for which medical advice was given or treatment was recommended by or received from a physician within six (6) months before the effective date of coverage.

(2) A Medicare supplement policy or certificate shall not indemnify against losses resulting from sickness on a different basis than losses resulting from accidents.

(3) A Medicare supplement policy or certificate shall provide that benefits designed to cover cost sharing amounts under Medicare will be changed automatically to coincide with any changes in the applicable Medicare deductible, copayment or coinsurance amounts. Premiums may be modified to correspond with such changes only with the prior approval of the commissioner.

(4) No Medicare supplement policy or certificate shall provide for termination of coverage of a spouse solely because of the occurrence of an event specified for termination of coverage of the insured, other than the nonpayment of premium.

(5) Each Medicare supplement policy shall be guaranteed renewable and;

(A) The issuer shall not cancel or nonrenew the policy solely on the ground of health status of the individual; and

(B) The issuer shall not cancel or nonrenew the policy for any reason other than nonpayment of premium or material misrepresentation.

(C) If the Medicare supplement policy is terminated by the group policyholder and is not replaced as provided under subparagraph (E) of this subdivision, the issuer shall offer certificateholders an individual Medicare supplement policy which (at the option of the certificateholder):

(i) Provides for continuation of the benefits contained in the group policy, or

(ii) Provides for such benefits as otherwise meets the requirements of this subsection.

(D) If an individual is a certificateholder in a group Medicare supplement policy and the individual terminates membership in the group, the issuer shall:

(i) Offer the certificateholder the conversion opportunity described in subparagraph (C) of this subdivision, or

(ii) At the option of the group policyholder, offer the certificateholder continuation of coverage under the group policy.

(E) If a group Medicare supplement policy is replaced by another group Medicare supplement policy purchased by the same policyholder, the issuer of the replacement policy shall offer coverage to all persons covered under the old group policy on its date of termination. Coverage under the new policy shall not result in any exclusion for preexisting conditions that would have been covered under the group policy being replaced.

(6) Termination of a Medicare supplement policy or certificate shall be without prejudice to any continuous loss which commenced while the policy was in force, but the extension of benefits beyond the period during which the policy was in force may be conditioned

Regulations of Connecticut State Agencies

upon the continuous total disability of the insured, limited to the duration of the policy benefit period, if any, or payment of the maximum benefits. Receipt of Medicare Part D benefits shall not be considered in determining a continuous loss.

(7) If a Medicare supplement policy eliminates an outpatient prescription drug benefit as a result of requirements imposed by the Medicare Prescription Drug, Improvement, and Modernization Act of 2003, the modified policy shall be deemed to satisfy the guaranteed renewal requirements of this subsection.

(8)

(A) A Medicare supplement policy or certificate shall provide that benefits and premiums under the policy or certificate shall be suspended at the request of the policyholder or certificateholder for the period (not to exceed twenty-four (24) months) in which the policyholder or certificateholder has applied for and is determined to be entitled to medical assistance under Title XIX of the Social Security Act, but only if the policyholder or certificateholder notifies the issuer of such policy or certificate within ninety (90) days after the date the individual becomes entitled to such assistance.

(B) If such suspension occurs and if the policyholder or certificateholder loses entitlement to such medical assistance, such policy or certificate shall be automatically reinstated (effective as of the date of termination of such entitlement) as of the termination of such entitlement if the policyholder or certificateholder provides notice of loss of such entitlement within ninety (90) days after the date of such loss and pays the premium attributable to the period, effective as of the date of termination of such entitlement.

(C) Each Medicare supplement policy or certificate shall provide that benefits and premiums under the policy or certificate shall be suspended (for any period that may be provided by federal regulation) at the request of the policyholder or certificateholder if the policyholder or certificate holder is entitled to benefits under section 226(b) of the Social Security Act and is covered under a group health plan (as defined in section 1862(b)(1)(A)(v) of the Social Security Act). If such suspension occurs, and if the policyholder or certificateholder loses coverage under the group health plan, the policy or certificate shall be automatically reinstated (effective as of the date of loss of such coverage) if the policyholder or certificateholder provides notice of loss of coverage within 90 days after the date of such loss of coverage.

(D) Reinstatement of coverage as described in subparagraphs (B) and (C) of this subdivision:

(i) Shall not provide for any waiting period with respect to treatment of preexisting conditions;

(ii) Shall provide for resumption of coverage which is substantially equivalent to coverage in effect before the date of suspension. If the suspended Medicare supplement policy provided coverage for outpatient prescription drugs, reinstatement of the policy for Medicare Part D enrollees shall be without coverage for outpatient prescription drugs and shall otherwise provide substantially equivalent coverage to the coverage in effect before the date of suspension; and

(A) An issuer may not apply new pre-existing limitations or a new incontestability period to the new policy for those benefits contained in the exchanged 1992 standardized policy or certificate of the insured, but may apply pre-existing condition limitations of no more than six months to any added benefits contained in the new 2010 standardized benefit plan not contained in the exchanged plan.

(B) The new policy or certificate shall be offered to all policyholders or certificateholders within a given plan except where the offer or issue would be in violation of state or federal law.

(b) **Standards for Basic (“Core”) Benefits Common to All Benefit Plans.** Every issuer shall make available a policy or certificate including only the following basic “core” package of benefits to each prospective insured. An issuer may make available to prospective insureds any of the other Medicare Supplement Insurance Benefit Plans in addition to the basic “core” package, but not in lieu thereof.

Regulations of Connecticut State Agencies

delivered or issued for delivery in this state with an effective date for coverage on or after June 1, 2010. No policy or certificate may be advertised, solicited, delivered or issued for delivery in this state as a Medicare supplement policy or certificate on or after June 1, 2010 unless it complies with these benefit standards. No issuer may offer any 1992 Medicare standardized Medicare supplement benefit plan for sale on or after June 1, 2010. Benefit standards applicable to Medicare supplement policies and certificates issued with an effective date for coverage on or after July 30, 1992, and before June 1, 2010, remain subject to the requirements of 38a-495a-5 and 38a-495a-6 of the Regulations of Connecticut State Agencies.

(a) **General Standards.**

(1) A Medicare supplement policy or certificate shall not exclude or limit benefits for losses incurred more than six months from the effective date of coverage because it involved a preexisting condition. The policy or certificate may not define a preexisting condition more restrictively than a condition for which medical advice was given or treatment was recommended by or received from a physician within six months before the effective date of coverage.

(2) A Medicare supplement policy or certificate shall not indemnify against losses resulting from sickness on a different basis than losses resulting from accidents.

(3) A Medicare supplement policy or certificate shall provide that benefits designed to cover cost sharing amounts under Medicare will be changed automatically to coincide with any changes in the applicable Medicare deductible, copayment, or coinsurance amounts. Premiums may be modified to correspond with such changes.

(4) No Medicare supplement policy or certificate shall provide for termination of coverage of a spouse solely because of the occurrence of an event specified for termination of coverage of the insured, other than the nonpayment of premium.

(5) Each Medicare supplement policy shall be guaranteed renewable.

(A) The issuer shall not cancel or nonrenew the policy solely on the ground of health status of the individual.

(B) The issuer shall not cancel or nonrenew the policy for any reason other than nonpayment of premium or material misrepresentation.

(C) If a Medicare supplement policy is terminated by a group policyholder and is not replaced as provided under subparagraph (E) of this subdivision of this section, the issuer shall offer certificateholders an individual Medicare supplement policy which, at the option of the certificateholder, (i) provides for continuation of the benefits contained in the group policy, or (ii) provides for benefits that otherwise meet the requirements of this subsection.

(D) If an individual is a certificateholder in a group Medicare supplement policy and the individual terminates membership in the group, the issuer shall offer the certificateholder (i) the conversion opportunity described in subparagraph (C) of this subdivision, or (ii) at the option of the group policyholder, continuation of coverage under the group policy.

(E) If a group Medicare supplement policy is replaced by another group Medicare supplement policy purchased by the same policyholder, the issuer of the replacement policy

shall offer coverage to all persons covered under the old group policy on its date of termination. Coverage under the new policy shall not result in any exclusion for preexisting conditions that would have been covered under the group policy being replaced.

(6) Termination of a Medicare supplement policy or certificate shall be without prejudice to any continuous loss which commenced while the policy was in force, but the extension of benefits beyond the period during which the policy was in force may be conditioned upon the continuous total disability of the insured, limited to the duration of the policy benefit period, if any, or payment of the maximum benefits. Receipt of Medicare Part D benefits shall not be considered in determining a continuous loss.

(7)

(A) A Medicare supplement policy or certificate shall provide that benefits and premiums under the policy or certificate shall be suspended at the request of the policyholder or certificateholder for the period, not to exceed 24 months, in which the policyholder or certificateholder has applied for and is determined to be entitled to medical assistance under Title XIX of the Social Security Act, provided the policyholder or certificateholder notifies the issuer of the policy or certificate not later than ninety days after the date the individual becomes entitled to assistance.

(B) If such suspension occurs and the policyholder or certificateholder loses entitlement to medical assistance under Title XIX of the Social Security Act, the policy or certificate shall be automatically reinstated effective as of the date of termination of entitlement provided the policyholder or certificateholder provides notice of loss of entitlement not later than ninety days after the date of loss and pays the premium attributable to the period.

(C) Each Medicare supplement policy shall provide that benefits and premiums under the policy shall be suspended, for any period that may be provided by federal regulation, at the request of the policyholder if the policyholder is entitled to benefits under section 226(b) of the Social Security Act and is covered under a group health plan, as defined in section 1862 (b) (1) (A) (v) of the Social Security Act. If such suspension occurs and the policyholder or certificateholder loses coverage under the group health plan, the policy shall be automatically reinstated effective as of the date of loss of coverage, provided the policyholder provides notice of loss of coverage not later than ninety days after the date of the loss and pays the premium attributable to the period as of the date of termination of enrollment in the group health plan.

(D) Reinstitution of coverages as set forth in subparagraphs (B) and (C) of this subdivision shall (i) not provide for any waiting period with respect to treatment of preexisting conditions, and (ii) shall provide for resumption of coverage that is substantially equivalent to coverage in effect before the date of suspension.

(b) **Standards for Basic Core Benefits Common to Medicare Supplement Plans A, B, C, D, F, F with High Deductible G, M, and N.** Every issuer of Medicare supplement insurance benefit plans shall make available a policy or certificate that includes only the following basic core package of benefits to each prospective insured. (a) No issuer shall deny or condition the issuance or effectiveness of any Medicare supplement policy or certificate available for sale in this state, nor discriminate in the pricing of such a policy or certificate because of the health status, claims experience, receipt of health care, or medical condition of an applicant in the case of an application for a policy or certificate that is submitted prior to or during the six (6) month period beginning with the first day of the first month in which an individual is both 65 years of age or older and is enrolled for benefits under Medicare Part B. Each Medicare supplement policy and certificate currently available from an issuer shall be made available to all applicants who qualify under this subsection without regard to age.

(b)

(1) If an applicant qualifies under subsection (a) of this section and submits an application during the time period referenced in subsection (a) and, as of the date of application, has had a continuous period of creditable coverage of at least six (6) months, the issuer shall not exclude benefits based on a preexisting condition.

(2) If the applicant qualifies under subsection (a) of this section and submits an application during the time period referenced in subsection (a) and, as of the date of application, has had a continuous period of creditable coverage that is less than six (6) months, the issuer shall reduce the period of any preexisting condition exclusion by the aggregate of the period of creditable coverage applicable to the applicant as of the enrollment date. Sec. 38a-495a-10. Loss ratio standards and refund or credit of premium

(a) Loss Ratio Standards

(1) A Medicare Supplement policy form or certificate form shall not be delivered or issued for delivery unless the policy form or certificate form can be expected, as estimated for the entire period for which rates are computed to provide coverage, to return to policyholders and certificate holders in the form of aggregate benefits (not including anticipated refunds or credits) provided under the policy form or certificate form:

(A) At least seventy-five percent (75%) of the aggregate amount of premiums earned in the case of group policies; or

(B) At least sixty-five percent (65%) of the aggregate amount of premiums earned in the case of individual policies; and

(C) The provisions of subparagraphs (A) and (B) of this subsection shall be calculated on the basis of incurred claims experience or incurred health care expenses where coverage is provided by a health care center on a service rather than reimbursement basis and earned premiums for such period and in accordance with accepted actuarial principles and practices. (i) Home office and overhead costs;

- (iv) Taxes;
- (v) Capital costs;
- (vi) Administrative costs; and
- (vii) Claims processing costs.

(2) All filings of rates and rating schedules shall demonstrate that expected claims in relation to premiums comply with the requirements of this section when combined with actual experience to date. Filings of rate revisions shall also demonstrate that the anticipated loss ratio over the entire future period for which the revised rates are computed to provide coverage can be expected to meet the appropriate loss ratio standards.

(b) Refund or Credit Calculation

(1) An issuer shall collect and file with the commissioner by May 31 of each year the data contained in the applicable reporting form contained in Appendix A for each type in a standard Medicare supplement benefit plan.

(2) If on the basis of the experience as reported the benchmark ratio since inception (ratio 1) exceeds the adjusted experience ratio since inception (ratio 3), then a refund or credit calculation is required. The refund calculation shall be done on a statewide basis for each type in a standard Medicare supplement benefit plan. For purposes of the refund or credit calculation, experience on policies issued within the reporting year shall be excluded.

(3) For purposes of this section, for policies issued prior to July 30, 1992, the issuer shall make the refund or credit calculation separately for all individual policies combined and all group policies combined for experience after the effective date of this paragraph. The first report shall be due by May 31, 1998.

(4) A refund or credit shall be made only when the benchmark loss ratio exceeds the adjusted experience loss ratio and the amount to be refunded or credited exceeds a de minimis level. Such refund shall include interest from the end of the calendar year to the date of the refund or credit at a rate specified by the secretary, but in no event shall it be less than the average rate of interest for 13-week Treasury notes. A refund or credit against premiums due shall be made by September 30 following the experience year upon which the refund or credit is based.

(c) Annual Filing of Premium Rates

An issuer of Medicare supplement policies and certificates issued before or after July 30, 1992 in this state shall file annually its rates, rating schedule and supporting documentation including ratios of incurred losses to earned premiums by policy duration for approval by the commissioner in accordance with the filing requirements and procedures prescribed by the commissioner. The supporting documentation shall also demonstrate in accordance with actuarial standards of practice using reasonable assumptions that the appropriate loss ratio standards can be expected to be met over the entire period for which rates are computed. Such demonstration shall exclude active life reserves. An expected third-year loss ratio which is greater than or equal to the applicable percentage shall be demonstrated for policies

or certificates in force less than three (3) years. As soon as practicable, but prior to the effective date of enhancements in Medicare benefits, every issuer of Medicare supplement policies or certificates in this state shall file with the commissioner, in accordance with the applicable filing procedures of this state:

(1)

(A) Appropriate premium adjustments necessary to produce loss ratios as anticipated for the current premium for the applicable policies or certificates. Such supporting documents as necessary to justify the adjustment shall accompany the filing.

(B) An issuer shall make such premium adjustments as are necessary to produce an expected loss ratio under such policy or certificate as will conform with minimum loss ratio standards for Medicare supplement policies and which are expected to result in a loss ratio at least as great as that originally anticipated in the rates used to produce current premiums by the issuer for such Medicare supplement policies or certificates. No premium adjustment which would modify the loss ratio experience under the policy other than the adjustments described herein shall be made with respect to a policy at any time other than upon its renewal date or anniversary date.

(C) If an issuer fails to make premium adjustments acceptable to the commissioner, the commissioner may order premium adjustments, refunds or premium credits deemed necessary to achieve the loss ratio required by this section.

(2) Any appropriate riders, endorsements or policy forms needed to accomplish the Medicare supplement policy or certificate modifications necessary to eliminate benefit duplications with Medicare. Such riders, endorsements or policy forms shall provide a clear description of the Medicare supplement benefits provided by the policy or certificate.

(d) Public Hearings

The commissioner shall conduct a public hearing in accordance with section 38a-474 of the General Statutes to review the request by an issuer for an increase in a rate for a policy form or certificate form issued before or after July 30, 1992.

(Effective July 30, 1992; Amended January 30, 1997; Amended December 1, 2005; Amended November 30, 2009)

Sec. 38a-495a-11. Filing and approval of policies and certificates and premium rates

(a) An issuer shall not deliver or issue for delivery a policy or certificate to a resident of this state unless the policy form or certificate form has been filed with and approved by the commissioner in accordance with filing requirements and procedures prescribed by the commissioner.

(b) An issuer shall file any riders or amendments to policy or certificate forms to delete outpatient prescription drugs as revised by the Medicare Prescription Drug, Improvement and Modernization Act of 2003 only with the commissioner in the state in which the policy or certificate was issued.

(c) An issuer shall not use or change premium rates for a Medicare supplement policy or certificate unless the rates, rating schedule and supporting documentation have been filed

with and approved by the commissioner in accordance with the filing requirements and procedures prescribed by the commissioner.

(d)

(1) Except as provided in subdivision (2) of this subsection, an issuer shall not file for approval more than one form of a policy or certificate of each type for each standard Medicare supplement benefit plan.

(2) An issuer may offer, with the approval of the commissioner, up to four (4) additional policy forms or certificate forms of the same type for the same standard Medicare supplement benefit plan, one for each of the following cases:

(A) The inclusion of new or innovative benefits;

(B) The addition of either direct response or agent marketing methods;

(C) The addition of either guaranteed issue or underwritten coverage;

(D) The offering of coverage to individuals eligible for Medicare by reason of disability.

(3) For the purposes of this section, a “type” means an individual policy, a group policy, an individual Medicare Select policy, or a group Medicare Select policy.

(e)

(1) Except as provided in subparagraph (A) of this subdivision, an issuer shall continue to make available for purchase any policy form or certificate form issued after the effective date of this regulation that has been approved by the commissioner. A policy form or certificate form shall not be considered to be available for purchase unless the issuer has actively offered it for sale in the previous twelve (12) months.

(A) An issuer may discontinue the availability of a policy form or certificate form if the issuer provides to the commissioner in writing its decision at least thirty (30) days prior to discontinuing the availability of the form of the policy or certificate. After receipt of the notice by the commissioner, the issuer shall no longer offer for sale the policy form or certificate form in this state.

(B) An issuer that discontinues the availability of a policy form or certificate form pursuant to Subparagraph (A) of this subdivision shall not file for approval a new policy form or certificate form of the same type for the same standard Medicare supplement benefit plan as the discontinued form for a period of five (5) years after the issuer provides notice to the commissioner of the discontinuance. The period of discontinuance may be reduced if the commissioner determines that a shorter period is appropriate.

(2) The sale or other transfer of Medicare supplement business to another issuer shall be considered a discontinuance for the purposes of this subsection.

(3) A change in the rating structure or methodology shall be considered a discontinuance under subdivision (1) of this subsection unless the issuer complies with the following requirements:

(A) The issuer provides an actuarial memorandum, in a form and manner prescribed by the commissioner, describing the manner in which the revised rating methodology and resultant rates differ from the existing rating methodology and resultant rates.

(B) The issuer does not subsequently put into effect a change of rates or rating factors

that would cause the percentage differential between the discontinued and subsequent rates as described in the actuarial memorandum to change. The commissioner may approve a change to the differential which is in the public interest.

(f)

(1) Except as provided in subdivision (2) of this subsection, the experience of all policy forms or certificate forms of the same type in a standard Medicare supplement benefit plan shall be combined for purposes of the refund or credit calculation prescribed in section 38a-495a-10 of the Regulations of Connecticut State Agencies.

(2) Forms assumed under an assumption reinsurance agreement shall not be combined with the experience of other forms for purposes of the refund or credit calculation.

(Effective July 30, 1992; Amended December 1, 2005; Amended November 30, 2009)

Sec. 38a-495a-12. Permitted compensation arrangements

(a) An issuer or other entity may provide commission or other compensation to an agent or other representative for the sale of a Medicare supplement policy or certificate only if the first year commission or other first year compensation is no more than two hundred percent (200%) of the commission or other compensation paid for selling or servicing the policy or certificate in the second year or period.

(b) The commission or other compensation provided in subsequent (renewal) years shall be the same as that provided in the second year or period and shall be provided for no fewer than five (5) renewal years.

(c) No issuer or other entity shall provide compensation to its agents or other producers and no agent or producer shall receive compensation greater than the renewal compensation payable by the replacing issuer on renewal policies or certificates if an existing policy or certificate is replaced.

(d) For purposes of this section, “compensation” includes pecuniary or non-pecuniary remuneration of any kind relating to the sale or renewal of the policy or certificate including but not limited to bonuses, gifts, prizes, awards and finders’ fees.

(Effective July 30, 1992; Amended January 30, 1997; Amended December 1, 2005; Amended November 30, 2009)

Sec. 38a-495a-13. Required disclosure provisions

(a) **General Rules.**

(1) Medicare supplement policies and certificates shall include a renewal or continuation provision. The language or specifications of such provision shall be consistent with the type of contract issued. Such provision shall be appropriately captioned and shall appear on the first page of the policy, and shall include any reservation by the issuer of the right to change premiums and any automatic renewal premium increases based on the policyholder’s age.

(2) Except for riders or endorsements by which the issuer effectuates a request made in writing by the insured, exercises a specifically reserved right under a Medicare supplement policy, or is required to reduce or eliminate benefits to avoid duplication of Medicare

Regulations of Connecticut State Agencies

TITLE 38a. Insurance Department

benefits, all riders or endorsements added to a Medicare supplement policy after date of issue or at reinstatement or renewal which reduce or eliminate benefits or coverage in the policy shall require a signed acceptance by the insured. After the date of policy or certificate issue, any rider or endorsement which increases benefits or coverage with a concomitant increase in premium during the policy term shall be agreed to in writing signed by the insured, unless the benefits are required by the minimum standards for Medicare supplement policies, or if the increased benefits or coverage is required by law. Where a separate additional premium is charged for benefits provided in connection with riders or endorsements, such premium charge shall be set forth in the policy.

(3) Medicare supplement policies or certificates shall not provide for the payment of benefits based on standards described as “usual and customary,” “reasonable and customary” or words of similar import.

(4) If a Medicare supplement policy or certificate contains any limitations with respect to preexisting conditions, such limitations shall appear as a separate paragraph of the policy and be labeled as “Preexisting Condition Limitations.”

(5) Medicare supplement policies and certificates shall have a notice prominently printed on the first page of the policy or certificate or attached thereto stating in substance that the policyholder or certificateholder shall have the right to return the policy or certificate within thirty (30) days of its delivery and to have the premium refunded if, after examination of the policy or certificate, the insured person is not satisfied for any reason.

(6) (A) Issuers of accident and sickness policies or certificates which provide hospital or medical expense coverage on an expense incurred or indemnity basis to persons eligible for Medicare shall provide to those applicants a Guide to Health Insurance for People with Medicare in the form developed jointly by the National Association of Insurance Commissioners and Centers for Medicare and Medicaid Services and in a type size no smaller than 12 point type. Delivery of the Guide shall be made whether or not such policies or certificates are advertised, solicited or issued as Medicare supplement policies or certificates as defined in this regulation. Except in the case of direct response issuers, delivery of the Guide shall be made to the applicant at the time of application and acknowledgement of receipt of the Guide shall be obtained by the issuer. Direct response issuers shall deliver the Guide to the applicant upon request but not later than at the time the policy is delivered.

(B) For the purposes of this section, “form” means the language, format, type size, type proportional spacing, bold character, and line spacing.

(b) Notice Requirements.

(1) As soon as practicable, but no later than thirty (30) days prior to the annual effective date of any Medicare benefit changes, an issuer shall notify its policyholders and certificateholders of modifications it has made to Medicare supplement insurance policies or certificates in a format acceptable to the commissioner. Such notice shall:

(A) Include a description of revisions to the Medicare program and a description of each modification made to the coverage provided under the Medicare supplement policy or

certificate, and;

(B) Inform each policyholder or certificateholder as to when any premium adjustment is to be made due to changes in Medicare.

(2) The notice of benefit modifications and any premium adjustments shall be in outline form and in clear and simple terms so as to facilitate comprehension.

(3) Such notices shall not contain or be accompanied by any solicitation.

(c) **MMA Notice Requirements.** Issuers shall comply with any notice requirements of the Medicare Prescription Drug, Improvement and Modernization Act of 2003.

(d) **Outline of Coverage Requirements for Medicare Supplement Policies.**

(1) Issuers shall provide an outline of coverage to all applicants at the time application is presented to the prospective applicant and, except for direct response policies, shall obtain an acknowledgement of receipt of such outline from the applicant, and;

(2) If an outline of coverage is provided at the time of application and the Medicare supplement policy or certificate is issued on a basis which would require revision of the outline, a substitute outline of coverage properly describing the policy or certificate shall accompany such policy or certificate when it is delivered and contain the following statement, in no less than twelve (12) point type, immediately above the company name:

“NOTICE: Read this outline of coverage carefully. It is not identical to the outline of coverage provided upon application and the coverage originally applied for has not been issued.”

(3) The outline of coverage provided to applicants pursuant to this section consists of four parts: a cover page, premium information, disclosure pages, and charts displaying the features of each benefit plan offered by the issuer. The outline of coverage shall be in the language and format prescribed below in no less than twelve (12) point type. All plans shall be shown on the cover page, and the plan(s) that are offered by the issuer shall be prominently identified. Premium information for plans that are offered shall be shown on the cover page or immediately following the cover page and shall be prominently displayed. The premium and mode shall be stated for all plans that are offered to the prospective applicant. All possible premiums for the prospective applicant shall be illustrated.

(4) The following items shall be included in the outline of coverage in the order prescribed below.

PREMIUM INFORMATION

We (insert issuer’s name) can only raise your premium if we raise the premium for all policies like yours in this state.

DISCLOSURES

Use this outline to compare benefits and premiums among policies.

This outline shows benefits and premiums for policies sold for effective dates on or after June 1, 2010. Policies sold for effective dates prior to June 1, 2010 have different benefits and premiums. Plans E, H, I, and J are no longer available for sale. (This paragraph shall not appear after June 1, 2011.)

READ YOUR POLICY VERY CAREFULLY

This is only an outline describing your policy's most important features. The policy is your insurance contract. You must read the policy itself to understand all of the rights and duties of both you and your insurance company.

RIGHT TO RETURN POLICY

If you find that you are not satisfied with our policy, you may return it to (insert issuer's address). If you send the policy back to us within 30 days after you receive it, we will treat the policy as if it had never been issued and return all of your payments.

POLICY REPLACEMENT

If you are replacing another health insurance policy, do not cancel it until you have actually received your new policy and are sure you want to keep it.

NOTICE

This policy may not fully cover all of your medical costs.

(for agents)

Neither (insert company's name) nor its agents are connected with Medicare.

(for direct response:)

(insert company's name) is not connected with Medicare.

This outline of coverage does not give all the details of Medicare coverage. Contact your local Social Security Office or consult The Medicare & You handbook for more details.

COMPLETE ANSWERS ARE VERY IMPORTANT

When you fill out the application for the new policy, be sure to answer truthfully and completely all questions about your medical and health history. The company may cancel your policy and refuse to pay any claims if you leave out or falsify important medical information. (If the policy or certificate is guaranteed issue, this paragraph need not appear.)

Review the application carefully before you sign it. Be certain that all information has been properly recorded.

(Include for each plan prominently identified in the cover page, a chart showing the services, Medicare payments, plan payments and insured payments for each plan, using the same language, in the same order, using uniform layout and format as shown in the charts below. No more than four plans may be shown on one chart. For purposes of illustration, charts for each plan are included in this regulation. An issuer may use additional benefit plan designations on these charts pursuant to section 38a-495a-6a(d) of the Regulations of Connecticut State Agencies. For purposes of illustration, the charts below display in parentheses dollar amounts that vary in accordance with the Medicare program. Issuers shall revise such dollar amounts as necessary to ensure that outlines of coverage contain information that is current at the time the outlines are provided to consumers.)

(Include an explanation of any innovative benefits on the cover page and in the chart, in a manner approved by the commissioner.)

Benefits from high deductible plan F will not begin until out-of-pocket expenses exceed (\$2000). Out-of-pocket expenses for this deductible are expenses that would ordinarily be paid by the policy. (d) Notice Regarding Policies or Certificates, Which Are Not Medicare Supplement Policies.

(1) Any accident and sickness insurance policy or certificate, other than a Medicare supplement policy, a policy issued pursuant to a contract under section 1876 of the Federal Social Security Act (42 U.S.C. s 1395 et seq.), disability income policy; or other policy identified in section 38a-495a-1 of the Regulations of Connecticut State Agencies, issued for delivery in this state to persons eligible for Medicare shall notify insureds under the policy that the policy is not a Medicare supplement policy or certificate. Such notice shall either be printed or attached to the first page of the outline of coverage delivered to insureds

under the policy, or if no outline of coverage is delivered, to the first page of the policy, or certificate delivered to insureds.

Such notice shall be in no less than twelve (12) point type and shall contain the following language:

“THIS (POLICY OR CERTIFICATE) IS NOT A MEDICARE SUPPLEMENT (POLICY OR CONTRACT). If you are eligible for Medicare, review the Guide to Health Insurance for people with Medicare available from the company.”

(2) Applications provided to persons eligible for Medicare for the health insurance policies or certificates described in subdivision (1) of this subsection shall disclose, using the applicable statement in Appendix C, the extent to which the policy duplicates Medicare. The disclosure statement shall be provided as a part of, or together with, the application for the policy or certificate.

(Effective July 30, 1992; Amended January 30, 1997; Amended June 2, 1998; Amended December 10, 2002; Amended December 1, 2005; Amended November 30, 2009)

Sec. 38a-495a-14. Requirements for application forms and replacement coverage

(a) Application forms shall include the following questions designed to elicit information as to whether, as of the date of the application, the applicant currently has Medicare supplement coverage, Medicare Advantage, Medicaid coverage, or another health insurance policy or certificate in force or whether a Medicare supplement policy or certificate is intended to replace any other accident and sickness policy or certificate presently in force. A supplementary application or other form to be signed by the applicant and agent containing such questions and statements may be used.

(Statements)

- (1) You do not need more than one Medicare supplement policy.
- (2) If you purchase this policy, you may want to evaluate your existing health coverage and decide if you need multiple coverages.
- (3) You may be eligible for benefits under Medicaid and may not need a Medicare supplement policy.
- (4) If, after purchasing this policy, you become eligible for Medicaid, the benefits and premiums under your Medicare supplement policy can be suspended, if requested, during your entitlement to benefits under Medicaid for 24 months. You must request this suspension within 90 days of becoming eligible for Medicaid. If you are no longer entitled to Medicaid, your suspended Medicare supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstated if requested within 90 days of losing Medicaid eligibility. If the Medicare supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstated policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.
- (5) If you are eligible for, and have enrolled in, a Medicare supplement policy by reason of disability and you later become covered by an employer or union-based group health

plan, the benefits and premiums under your Medicare supplement policy can be suspended, if requested, while you are covered under the employer or union-based group health plan. If you suspend your Medicare supplement policy under these circumstances, and later lose your employer or union-based group health plan, your suspended Medicare supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstated if requested within 90 days of losing your employer or union-based group health plan. If the Medicare supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstated policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.

(6) Counseling services may be available in your state to provide advice concerning your purchase of Medicare supplement insurance and concerning medical assistance through the state Medicaid program, including benefits as a qualified Medicare beneficiary (QMB) and a specified low-income Medicare beneficiary (SLMB).

in substantially the following form in no less than twelve (12) point type:

**NOTICE TO APPLICANT REGARDING REPLACEMENT OF MEDICARE
SUPPLEMENT INSURANCE OR MEDICARE ADVANTAGE**

(Insurance company's name and address)

SAVE THIS NOTICE! IT MAY BE IMPORTANT TO YOU IN THE FUTURE.

According to (your application) (information you have furnished), you intend to terminate existing Medicare supplement or Medicare Advantage insurance and replace it with a policy to be issued by (Company Name) Insurance Company. Your new policy will provide thirty (30) days within which you may decide without cost whether you desire to keep the policy. You should review this new coverage carefully. Compare it with all accident and sickness coverage you now have. If, after due consideration, you find that purchase of this Medicare supplement coverage is a wise decision, you should terminate your present Medicare supplement or Medicare Advantage coverage. You should evaluate the need for other accident and sickness coverage you have that may duplicate this policy.

Statement to applicant by issuer, agent (broker or other representative): I have reviewed your current medical or health insurance coverage. To the best of my knowledge, this Medicare supplement policy will not duplicate your existing Medicare supplement or if applicable, Medicare Advantage coverage because you intend to terminate your existing Medicare supplement coverage or leave your Medicare Advantage plan. The replacement policy is being purchased for the following reason (check one):

- Additional benefits
- No change in benefits, but lower premiums.
- Fewer benefits and lower premiums.
- My plan has outpatient prescription drug coverage and I am enrolling in Medicare Part D.
- Disenrollment from a Medicare Advantage plan. Please explain reason for disenrollment. (optional only for Direct Mailers.)
- Other. (please specify)

1. Note: If the issuer of the Medicare supplement policy being applied for does not, or is otherwise prohibited from imposing pre-existing condition limitations, please skip to statement 2 below. Health conditions which you may presently have (preexisting conditions) may not be immediately or fully covered under the new policy. This could result in denial or delay of a claim for benefits under the new policy, whereas a similar claim might have been payable under your present policy.

2. State law provides that your replacement policy or certificate may not contain new preexisting conditions, waiting periods, elimination periods or probationary periods. The insurer will waive any time periods applicable to preexisting conditions, waiting periods, elimination periods, or probationary periods in the new policy (or coverage) for similar benefits to the extent such time was spent (depleted) under the original policy.

3. If you still wish to terminate your present policy and replace it with new coverage, be

certain to truthfully and completely answer all questions on the application concerning your medical and health history. Failure to include all material medical information on an application may provide a basis for the company to deny any future claims and to refund your premium as though your policy had never been in force. After the application has been completed and before you sign it, review it carefully to be certain that all information has been properly recorded.

(If the policy or certificate is guaranteed issue, this paragraph need not appear.)

Do not cancel your present policy until you have received your new policy and are sure that you want to keep it.

Sec. 38a-495a-15. Filing requirements for advertising

An issuer shall provide a copy of any Medicare supplement advertisement intended for use in this state whether through written, radio or television medium to the commissioner for review or approval by the commissioner to the extent it may be required in accordance with regulations adopted pursuant to section 38a-819 of the General Statutes.

(Effective July 30, 1992; Amended December 1, 2005; Amended November 30, 2009)

Sec. 38a-495a-16. Standards for marketing

(a) An issuer, directly or through its producers, shall:

(1) Establish marketing procedures to assure that any comparison of policies by its agents or other producers will be fair and accurate.

(2) Establish marketing procedures to assure excessive insurance is not sold or issued.

(3) Display prominently by type, stamp or other appropriate means, on the first page of the policy the following:

“Notice to buyer: This policy may not cover all of your medical expenses.”

(4) Inquire and otherwise make every reasonable effort to identify whether a prospective applicant or enrollee for Medicare supplement insurance already has accident and sickness insurance and the types and amounts of any such insurance.

(5) Establish auditable procedures for verifying compliance with this subsection (a).

(b) In addition to the practices prohibited in sections 38a-815 to 38a-831, inclusive, of the General Statutes the following acts and practices are prohibited:

Regulations of Connecticut State Agencies

TITLE 38a. Insurance Department

Insurance Department

§38a-495a-18

(1) Twisting. Knowingly making any misleading representation or incomplete or fraudulent comparison of any insurance policies or insurers for the purpose of inducing, or tending to induce, any person to lapse, forfeit, surrender, terminate, retain, pledge, assign, borrow on, or convert any insurance policy or to take out a policy of insurance with another insurer.

(2) High pressure tactics. Employing any method of marketing having the effect of or tending to induce the purchase of insurance through force, fright, threat, whether explicit or implied, or undue pressure to purchase or recommend the purchase of insurance.

(3) Cold lead advertising. Making use directly or indirectly of any method of marketing which fails to disclose in a conspicuous manner that a purpose of the method of marketing is solicitation of insurance and that contact will be made by a producer or insurance company.

(c) The terms “Medicare Supplement,” “Medigap,” “Medicare Wrap-Around” and words of similar import shall not be used unless the policy is issued in compliance with this regulation.

Sec. 38a-495a-17. Appropriateness of recommended purchase and excessive insurance

(a) In recommending the purchase or replacement of any Medicare supplement policy or certificate an agent shall make reasonable efforts to determine the appropriateness of a recommended purchase or replacement.

(b) Any sale of Medicare supplement coverage that will provide an individual more than one Medicare supplement policy or certificate is prohibited.

(c) An issuer shall not issue a Medicare supplement policy or certificate to an individual enrolled in Medicare Part C unless the effective date of coverage is after the termination date of the individual’s Part C coverage.

(Effective July 30, 1992; Amended December 1, 2005; Amended November 30, 2009)

Sec. 38a-495a-18. Reporting of multiple policies

(a) On or before March 1 of each year, an issuer shall report to the commissioner the following information for every individual resident of this state for which the issuer has in force more than one Medicare supplement policy or certificate:

- (1) Policy and certificate number, and
- (2) Date of issuance.

(b) The items set forth in subsection (a) of this section shall be grouped by individual policyholder.

(Effective July 30, 1992; Amended December 1, 2005; Amended November 30, 2009)

Sec. 38a-495a-19. Prohibition against preexisting conditions, waiting periods, elimination periods and probationary periods in replacement policies or certificates

(a) If a Medicare supplement policy or certificate replaces another Medicare supplement policy or certificate, an employee group health insurance policy or certificate, or a policy or certificate issued by a health care center pursuant to a contract with the federal government, the replacing issuer shall waive any time periods applicable to preexisting conditions, waiting periods, elimination periods and probationary periods in the new Medicare supplement policy or certificate for similar benefits to the extent such time was spent under the original policy or certificate.

(b) If a Medicare supplement policy or certificate replaces another Medicare supplement policy or certificate, an employee group health insurance policy or certificate, or a policy or certificate issued by a health care center pursuant to a contract with the federal government, which has been in effect for at least six (6) months, the replacing policy shall not provide any time period applicable to preexisting conditions, waiting periods, elimination periods and probationary periods for benefits similar to those contained in the original policy or certificate.

Sec. 38a-495a-19a. Prohibition against use of genetic information. Requests for genetic testing

This section applies to all policies with policy years beginning on or after May 21, 2009.

(2) “Family member” means, with respect to an individual, a first-degree, second-degree, third-degree, or fourth-degree relative of such individual.

(3) “Genetic information” means, with respect to any individual, information about such individual’s genetic tests, the genetic tests of family members of such individual, and the manifestation of a disease or disorder in family members of such individual. “Genetic information” includes any request for or receipt of genetic services, or participation in clinical research which includes genetic services, by such individual or any family member of such individual. Any reference to genetic information concerning an individual or family member of an individual who is a pregnant woman includes genetic information of any fetus carried by such pregnant woman, or with respect to an individual or family member utilizing reproductive technology, includes genetic information of any embryo legally held by an individual or family member. The term “genetic information” does not include information about the sex or age of any individual.

(4) “Genetic services” means (A) a genetic test, (B) genetic counseling (including obtaining, interpreting, or assessing genetic information), or (C) genetic education.

Regulations of Connecticut State Agencies

TITLE 38a. Insurance Department

Insurance Department

§38a-495a-19a

(5) “Genetic test” means an analysis of human DNA, RNA, chromosomes, proteins, or metabolites, that detect genotypes, mutations, or chromosomal changes. The term “genetic test” does not mean an analysis of proteins or metabolites that does not detect genotypes, mutations, or chromosomal changes; or an analysis of proteins or metabolites that is directly related to a manifested disease, disorder, or pathological condition that could reasonably be detected by a health care professional with appropriate training and expertise in the field of medicine involved.

(6) “Underwriting purposes” means:

(b) An issuer of a Medicare supplement policy or certificate:

(1) shall not deny or condition the issuance or effectiveness of the policy or certificate, including the imposition of any exclusion of benefits under the policy based on a preexisting condition, on the basis of an individual’s genetic information; and

(2) shall not discriminate in the pricing of the policy or certificate, including the adjustment of premium rates, of an individual on the basis of such individual’s genetic information.

(c) Nothing in subsection (b) of this section shall be construed to limit the ability of an issuer, to the extent otherwise permitted by law, from:

(1) denying or conditioning the issuance or effectiveness of the policy or certificate or increasing the premium for a group based on the manifestation of a disease or disorder of an insured or applicant or;

(2) increasing the premium for any policy issued to an individual based on the manifestation of a disease or disorder of an individual who is covered under the policy. In such case, the manifestation of a disease or disorder in one individual shall not also be used as genetic information about other group members and to further increase the premium for the group.

(d) Except as provided in subsection (e) of this section, An issuer of a Medicare supplement policy or certificate shall not request or require an individual or a family member of such individual to undergo a genetic test.

1. Section 1882(d) of the Federal Social Security Act prohibits the sale of a health insurance policy (the term policy or policies includes certificates) that duplicate Medicare benefits unless it will pay benefits without regard to other health coverage and it includes the prescribed disclosure statement on or together with the application for the policy.

2. All types of health insurance policies that duplicate Medicare shall include one of the attached disclosure statements, according to the particular policy type involved, on the

application or together with the application. The disclosure statement may not vary from the attached statements in terms of language or format (type size, type proportional spacing, bold character, line spacing, and usage of boxes around text).

3. State and federal law prohibits insurers from selling a Medicare supplement policy to a person that already has a Medicare supplement policy except as a replacement policy.

4. Property/casualty and life insurance policies are not considered health insurance.

5. Disability income policies are not considered to provide benefits that duplicate Medicare.

6. Long-term care insurance policies that coordinate with Medicare and other health insurance are not considered to provide benefits that duplicate Medicare.

7. The federal law does not preempt state laws that are more stringent than the federal requirements.

8. The federal law does not preempt existing state form filing requirements.

9. Section 1882 of the Federal Social Security Act was amended in subsection (d)(3)(A) to allow for alternative disclosure statements. The disclosure statements already in Appendix C remain. Carriers may use either disclosure statement with the requisite insurance product. Instructions for Use of the Disclosure Statements for Health Insurance Policies Sold to Medicare Beneficiaries that Duplicate Medicare

1. Section 1882(d) of the Federal Social Security Act prohibits the sale of a health insurance policy (the term policy or policies includes certificates) that duplicate Medicare benefits unless it will pay benefits without regard to other health coverage and it includes the prescribed disclosure statement on or together with the application for the policy.

2. All types of health insurance policies that duplicate Medicare shall include one of the attached disclosure statements, according to the particular policy type involved, on the application or together with the application. The disclosure statement may not vary from the attached statements in terms of language or format (type size, type proportional spacing, bold character, line spacing, and usage of boxes around text).

3. State and federal law prohibits insurers from selling a Medicare supplement policy to a person that already has a Medicare supplement policy except as a replacement policy.

4. Property/casualty and life insurance policies are not considered health insurance.

5. Disability income policies are not considered to provide benefits that duplicate Medicare.

6. Long-term care insurance policies that coordinate with Medicare and other health insurance are not considered to provide benefits that duplicate Medicare.

7. The federal law does not preempt state laws that are more stringent than the federal

requirements.

8. The federal law does not preempt existing state form filing requirements.

9. Section 1882 of the Federal Social Security Act was amended in subsection (d)(3)(A) to allow for alternative disclosure statements. The disclosure statements already in Appendix C remain. Carriers may use either disclosure statement with the requisite insurance product. However, carriers should use either the original disclosure statements or the alternative disclosure statements and not use both simultaneously.

- other approved items and services

This policy must pay benefits without regard to other health benefit coverage to which you may be entitled under Medicare or other insurance.
