

Sec. 20-281-4. Rescheduling year of review

By February 1st of its year of review, or at such later time as the Board, in its discretion, for good cause shown may allow, a permit holder may submit to the Board a request to reschedule its year of review. The Board may, in its discretion, grant a request to reschedule a permit holder's year of review if it finds that said permit holder has undergone within two (2) calendar years before, or has entered into a binding commit to undergo within two (2) calendar years after the presently-scheduled year of review, a review equivalent to the one required by these Regulations. If such a rescheduling is granted, the permit holder will undergo subsequent quality reviews every three (3) years after that rescheduled year of review. The application shall be in writing and under oath and shall set forth the name and permit number of the permit holder, the presently-scheduled year of review, the proposed rescheduled year of review, the date of the last quality or equivalent review, a copy of the final opinion letter issued by the reviewer as a result of that review, a statement of basis upon which rescheduling is sought, and, if the request is based upon the fact that the permit holder will undergo a review in the future, the date when that review will be held and documentation that demonstrates to the satisfaction of the Board that the permit holder has made a binding commitment to undergo such a review when stated. The Board may require the permit holder to supply such additional information and documentation as it deems necessary or desirable in evaluating such a request.
