Certification form

I, Manisha Juthani, MD, Commissioner of the Department of Public Health, hereby certify that:

1. In compliance with Conn. Gen. Stat. § 4-168(a)(1), on September 16, 2019, the Department of Public Health gave notice by posting a notice on the eRegulations System of its intention to adopt regulations regarding the Connecticut Tumor Registry that included the information required in said statute.
2. In compliance with Conn. Gen. Stat. § 4-168(a)(2), the Department of Public Health, on September 16, 2019, posted a copy of the proposed regulation on the eRegulations System.
3. In compliance with Conn. Gen. Stat. § 4-168(a)(1), on June 15, 2022, the Department of Public Health posted a second notice of intent on the eRegulations System and a copy of the most recent regulations on the eRegulations System.
4. In compliance with Conn. Gen. Stat. § 4-168(a)(3), the Department of Public Health on, December 17, 2019, gave notice electronically to each joint standing committee of the General Assembly having cognizance of the subject matter of the proposed regulation.
5. In compliance with Conn. Gen. Stat. § 4-168(a)(4), the Department of Public Health did not have any requests for electronic or paper copies from any person for advance notice of its regulation-making proceedings.
6. The Department of Public Health received no requests for a paper copy or electronic version of the proposed regulation, as described in Conn. Gen. Stat. § 4-168(a)(5).
7. In compliance with Conn. Gen. Stat. § 4-168(a)(6), the Department of Public Health prepared a fiscal note, including an estimate of the cost or of the revenue impact of the proposed regulations (A) on the state or any municipality of the state, and (B) on small businesses in the state, including an estimate of the number of small businesses subject to the proposed regulation and the projected costs, including but not limited to, reporting, recordkeeping and administrative, associated with compliance with the proposed regulation and, if applicable, the regulatory flexibility analysis prepared under Conn. Gen. Stat. § 4-168a.
8. All interested persons were given reasonable opportunities to submit data, views, or arguments, orally at a hearing if granted under Conn. Gen. Stat. § 4-168(b) or in writing, concerning the proposed regulations and to inspect and copy or view online and print the fiscal note referred to in paragraph (6) above.
9. No request for an opportunity to present oral argument was made by fifteen persons, by a governmental subdivision or agency or by an association having not less than fifteen members, within fourteen days of the posting of the notice on the eRegulations System.

10. The Department of Public Health considered fully all written and oral submissions respecting the proposed regulation.
11. In compliance with Conn. Gen. Stat. § 4-168(e), on December 17, 2019, the Department of Public Health posted on the eRegulations System notice that it decided to take action on the proposed regulation and has provided such notice electronically to all persons who submitted oral or written comments concerning the regulation and has provided a paper copy of such notice to all persons who submitted comments in a non-electronic format. In response to comments received, the Department of Public Health has also posted on the eRegulations System: (1) a statement of the principal reasons in support of its intended action; and (2) a statement of the principal considerations in opposition to its intended action as urged in written or oral comments on the proposed regulation and its reasons for rejecting such considerations.
12. In compliance with Conn. Gen. Stat. § 4-168(e), On September 8, 2022, the Department of Public Health posted a second notice on the eRegulations System notice that it decided to take action on the proposed regulation and has provided such notice electronically to all persons who submitted oral or written comments concerning the regulation and has provided a paper copy of such notice to all persons who submitted comments in a non-electronic format. In response to comments received, the Department of Public Health has also posted on the eRegulations System: (1) a statement of the principal reasons in support of its intended action; and (2) a statement of the principal considerations in opposition to its intended action as urged in written or oral comments on the proposed regulation and its reasons for rejecting such considerations.
13. A minor revision was made to the explanation of the fiscal note referred to in paragraph (7) above to reflect revisions to the section numbers and the inclusion of section 19a-2a-10 in the fiscal impact. Currently, there is no fiscal impact to the proposed regulation.
