RE: Connecticut State Register and Manual (PR2023-048)

Dear Attorney General Tong:

The Office of the Secretary of the State resubmits the above-referenced regulation following rejection without prejudice by the Legislative Regulations Review Committee. The [Legislative Commissioner's Office Report](#), which the Committee adopted, notes one substantive concern and three technical changes. The proposed regulation resubmitted for your review addresses the substantive concern by removing the repeal of section 3-90-2 of the Regulation of Connecticut State Agencies. In other words, the existing language in section 3-90-2 will remain intact following adoption of this regulation. This version also makes the technical changes identified in the LCO report.

Thank you for your time and consideration of this proposed regulation.

Sincerely,

Christopher Drake
