 - (1) immediately following the divestiture of control the domestic insurer would not be able to

satisfy the requirements for the issuance of a new license to write the line or lines of insurance for which the insurer is presently licensed;

(2) the effect of the divestiture of control would be to substantially lessen the competition in this state or tend to create a monopoly herein;

(3) the effect of the divestiture is to liquidate the insurance company, cause the sale of such insurance company's assets or cause such insurance company to consolidate or merge with any person, or cause any other material change to the business or corporate structure or management that is unfair and unreasonable to policyholders of the insurance company and not in the public interest;

(4) as a result of the divestiture, a lack of competence, trustworthiness, experience and integrity of the persons who would control the operation of the domestic insurer would cause the change of control to not be in the best interest of the insurer's policyholders and the public;

(5) the divestiture will create a change of control which is likely to be hazardous or prejudicial to those buying insurance;

(6) the divestiture of control may jeopardize the financial stability of the domestic insurer or prejudice the interest of the domestic insurer's policyholders and other claimants; or

(7) the divestiture of control would violate the law of this State or another state or the United States.

If a domestic insurance company, including any person controlling a domestic insurance company, is proposing a merger or acquisition pursuant to section 38a-130 of the Connecticut General Statutes, that person shall file a pre-acquisition notification form, Form E (Appendix E of [Sections] sections 38a-138-1 to 38a-138-16, inclusive, of the Regulations of Connecticut State Agencies). No pre-acquisition form need be filed if the acquisition is beyond the scope of section 38a-131 of the Connecticut General Statutes as set forth in section 38a-131(b) of the Connecticut General Statutes. In addition to the information required by Form E (Appendix E of [Sections] sections 38a-138-1 to 38a-138-16, inclusive, of the Regulations of Connecticut State Agencies), the Commissioner may require an expert opinion as to the competitive impact of the proposed acquisition.

(1) the statement or report contains substantially similar information required to be furnished on Form B; and

(2) the filing insurer is the principal insurance company in the insurance holding company system.

(b) The question of whether the filing insurer is the principal insurance company in the insurance holding company system is a question of fact and an insurer filing a registration statement or report in lieu of Form B on behalf of an affiliated insurer, shall set forth a brief statement of facts which will substantiate the filing insurer's claim that it, in fact, is the principal insurer in the insurance holding company system.

(c) With the prior approval of the Commissioner, an unauthorized insurer may follow any of the procedures which could be done by an authorized insurer under subsection (a) of this section.
