

I, Katherine S. Dykes, Commissioner of the Department of Energy and Environmental Protection, hereby certify that:

1. In compliance with Conn. Gen. Stat. § 4-168(a)(1), on May 5, 2021, the Department of Energy and Environmental Protection gave notice by posting a notice on the eRegulations System of its intention to adopt regulations concerning Connecticut's Underground Storage Tanks that included the information required in said statute.
2. In compliance with Conn. Gen. Stat. § 4-168(a)(2), the Department of Energy and Environmental Protection on May 5, 2021 posted a copy of the proposed regulation on the eRegulations System.
3. In compliance with Conn. Gen. Stat. § 4-168(a)(3), the Department of Energy and Environmental Protection on May 5, 2021 gave notice electronically to each joint standing committee of the General Assembly having cognizance of the subject matter of the proposed regulation.
4. In compliance with Conn. Gen. Stat. § 4-168(a)(4), the Department of Energy and Environmental Protection on May 5, 2021 gave notice electronically or provided paper copies to all persons who made requests for advance notice of its regulation-making proceedings.
5. The Department of Energy and Environmental Protection received no requests for a paper copy or electronic version of the proposed regulation, as described in Conn. Gen. Stat. § 4-168(a)(5).
6. In compliance with Conn. Gen. Stat. § 4-168(a)(6), the Department of Energy and Environmental Protection prepared a fiscal note, including an estimate of the cost or of the revenue impact of the proposed regulations (A) on the state or any municipality of the state, and (B) on small businesses in the state, including an estimate of the number of small businesses subject to the proposed regulation and the projected costs, including but not limited to, reporting, recordkeeping and administrative, associated with compliance with the proposed regulation and, if applicable, the regulatory flexibility analysis prepared under Conn. Gen. Stat. § 4-168a.
7. All interested persons were given reasonable opportunities to submit data, views or arguments, in writing, concerning the proposed regulations and to inspect and copy or view online and print the fiscal note referred to in paragraph (6) above.
8. On June 3, 2021, the Department held a public hearing on its own initiative. Notice of the hearing was provided in the Notice of Intent that was published on May 5, 2021.

Rev. 5/2015 – AG Regulation Certification Form

9. The Department of Energy and Environmental Protection considered fully all written submissions and oral comments respecting the proposed regulation.
10. No revisions to the fiscal note referred to in paragraph (6) above were necessary in light of the submissions respecting the proposed regulation.
11. In compliance with Conn. Gen. Stat. § 4-168(e), on or about July 9, 2021 the Department of Energy and Environmental Protection posted on the eRegulations System notice that it decided to take action on the proposed regulation and has provided such notice electronically to all persons who submitted oral or written comments concerning the regulation and has provided a paper copy of such notice to all persons who submitted comments in a non-electronic format. The Department of Energy and Environmental Protection has also posted on the eRegulations System: (1) The final wording of the proposed regulation; (2) a statement of the principal reasons in support of its intended action; and (3) a statement of the principal considerations in opposition to its intended action as urged in written or oral comments on the proposed regulation and its reasons for rejecting such considerations.
