

Sec. 25-129-3. Limited non-water-supply contractor W-3

As provided by section 25-129 of the Connecticut General Statutes, the department establishes certain requirements for registration as a limited non-water-supply contractor W-3. Such registration permits the registrant to construct a non-water-supply well, as defined in section 25-128-36(c) of the Regulations of Connecticut State Agencies, including, but not limited to, the installation, repair and maintenance of pumps, pump motors, pump piping, valves, wiring, electric controls and tanks. Before any registration is issued to any individual, the applicant shall submit in a form and manner prescribed by the department, documentation that the applicant has been actively engaged in the well drilling trade as a well driller for a period of at least twenty-four (24) months prior to the date of application or has held a valid W-4 registration for at least two years. The applicant shall demonstrate knowledge of well drilling by passing a written examination conducted pursuant to sections 21a-7(a)(1) and 21a-8(a)(5) of the Connecticut General Statutes.
